King Lion Roseanne's Korner

Dear Fellow Lions:

Here we are into fall and gearing up for a busy season with our usual projects. I'm sure Lion George would like more Lions to offer their services for VLRB during winter months as some of the clubs may not make it here due to weather.

Our 30th Charter Night is on October 28, and this is a very special one. Lion Kirk and Lion Irene are working very hard and might appreciate some assistance.

Also, don't forget the Fall Cabinet Meeting in Truro on October 1, 2, 2010. See Secretary Lion Wayne if you wish to go.

All Chairpersons please pass your projects in to Lion Wayne as soon as possible so we can get our credit.

Our Breakfast's are really at the top and Lion Mark can use lots of help to make them a success. Just show up, he will put you to work.

World Service Day is October 23rd. We always have lots of hungry seniors to feed. See Lion Reg, he will appreciate all the help he can get.

In closing, I want to wish Lion Robert's wife, Nancy, a speedy recovery and hope she will be home soon on a permanent basis.

Yours in Lionism,

KL Roseanne

Lions Clubs International

Fellow Lions;

I hope everyone had a pleasant summer and are ready for another busy Lions year. I would like to extend special thanks to ZC Scott MacKenzie and the Musquodoboit Harbour Lions Club for hosting a successful DGO Meeting. There were approximately 145 Lions in attendance, representing 41 Clubs. Well done Lions.

Our International President Sid Scruggs III's theme this year is "A Beacon of Hope". Our president is asking you to be the light of service, "A Beacon of Hope" to the needy, just not in our own communities but around the globe. Together we can be that symbol of light and hope. I believe it is time to get out in the communities and do what we intended to when we first became Lions, Serve the needy. We need to be more visible with Hands-On service and direct contact with the needy. Show your communities that we are there for them; let them know what we do and why we do it. With a high visibility there should be more support, more service and just perhaps an increase in membership. When people see how we can impact a community, maybe they will want to be part of that also.

Congratulations to Lion Vic Belliveau of the Antigonish Lions Club for capturing the Overall Winner at this year's District Golf Tournament at the Clare Golf Course in Comeauville. The host Club, the Meteghan Lions Club, won the Top Team Trophy and will host next year's tournament. The date next year is set for the second weekend in August. Thanks goes out to Lion Walter Goggins and his Committee for putting on an excellent tournament. The fellowship was outstanding, the weather was great and the buffets at the Golf Course were superb. Thanks again, well done.

Back to some serious business, let me talk about Membership. As of May 1/2010 our membership was 1825. Today we have a membership of 1762 Lions, a loss of 63. We all know at the end of each year, clubs have a tendency of dropping the dead wood. I am asking all Clubs that if you intend to drop any members, DON'T WAIT TILL JUNE. Drop them when it is necessary. We lose approximately 32 members per year because of death. We cannot do anything about that. But we let a large number of Lions walk out the back door. We have to be more aware of what is happening to our members. We have to close the back door and make sure all Lions are active. Get them involved and keep their interest in the greatest organization in the world.

In closing, I am looking forward to visiting a large number of clubs over the next few months and meeting the Lions of District N-2. I would also like to wish everyone every success in the year ahead.

DG Bob

Lions Quest, a K-12 program, offers positive youth development and prevention curricula that unite the home, school and community to cultivate capable and healthy young people of strong character. More than 500,000 educators have been trained to implement the programs, providing nearly 12 million youth worldwide with essential life skills that support character development, social and emotional learning, civic values, violence and substance abuse prevention, and service-learning.

The program has drawn rave reviews from educators and high ratings from government agencies. Lions Quest programs meet all 10 guidelines for effective prevention programs issued by the U.S. Department of Education. Program evaluations have been conducted over the past 20 years by the program developer, school districts, universities, and independent research firms. Results of the studies include improved achievement test scores; change in knowledge, attitudes, and beliefs regarding substance abuse and violence; lower rates of disciplinary problems; lower risk of dropping out of school; as well as decreased use of alcohol, tobacco and other drugs.

Lions originally partnered with Quest International in 1984. Lions Clubs International Foundation acquired the rights to Lions Quest in 2002 to increase the program's reach and offer greater support and visibility for the Lions who work with their local schools and communities on the program. Lions Quest is currently active in nearly 60 countries and program materials have been translated into 24 languages

BRIGADOON VILLAGE

BUILDING PROJECT

August 2010 saw the construction begin of a 6.5 million dollar project on Aylesford Lake that will house chronically ill children for summer camp.

We, as Lions, are in the process of a District Project to raise \$250,000.00, for the construction of one cabin that will house 24 children and staff. Brigadoon has confirmed the Lions of Nova Scotia will be honored by having an *engraved log* over one cabin door. (Many years of PR)

At the DGO, a notice of motion was passed and a vote will take place at the Fall Cabinet, October 2, 2010 in Truro, to accept this notice of motion in principal.

This has been a busy time for me, travelling to 11 Zones and hard work behind the scenes. I hope to see this all happen on schedule.

Yours in Lionism,

Reg House

HAITI DISASTER

A 7.0 earthquake devastated Haiti on Tuesday, January 12. Lions around the world responded generously and quickly to the LCIF designated fund for this disaster.

Lions Hope for Haiti is mobilizing more than US\$6 million. Lions Hope for Haiti is Lions and LCIF working together to provide relief and hope for the people of Haiti.

Six hundred Haitian families are moving into new, temporary homes thanks to an initiative between LCIF, the Lions of MD111 Germany and HELP, an international non-governmental organization. MD 111 Lions donated US\$500,000 for this project. This the first of many reconstruction projects to receive support from LCIF thanks to generous financial support of Lions worldwide following the devastating earthquake.

Dear Fellow Coldbrook Lions:

I take this opportunity to explain what has been taking place within the following projects:

LEOS CLUB

Our *Leo's Club* is up-and-running and the members have been actively working with the Coldbrook Lions Club as required and a number of other schools have shown interest in chartering their own *Leo's Club* if the Lions Clubs will sponsor them.

PEACE POSTERS

The *Peace Posters Contest* information has been received and will be given to the Cambridge Elementary and Coldbrook Elementary Schools on Monday, September 20th, 2010. Kingston RCMP will not be doing the Children's ID program this year, however, Lion Reg House will be doing it. Coldbrook Elementary already has their ID kits.

SPEAK OUT

The Speak Out information will be given out ASAP and we are hoping for CKRHS students to become more interested in this 2010 - 2011 year.

Lion Reg and myself have been working hard to promote Lionism by speaking to the CKRHS Teachers and Students from grades 7 - 12 and I would like to thank both the teaches and students.

Demolition Derby 2010

The Coldbrook & District Lions Club held its 12 annual "Bash for Cash" demolition derby at Wards pit Coldbrook. The weather was hot with sunny skies and temperatures in the low 30's and at the derby it felt like it was in the 40's, hot!!!!. As in all outside events we are in the hands of the weather gods and he was on our side that day.

The derby had an astonishing record of 78 cars turnout for this event, last year we had 72 cars and for the 2 years before that we had 63 cars turnout, as you can see we are growing. This must be the largest demolition derby in Atlantic Canada. As for the number of spectators who had come in the sweltering heat to watch our event and by the number of cars that were lined down English Mountain Rd, we had to have between 3000 to 3500 people. I know our Lions canteen sold out of pretty much everything they brought with them.

The demolition derby is a great fund raiser for our club with all proceeds going right back into our community.

LETTER FROM THE EDITOR

Dear Fellow Lions:

Looking back over our 2009/10 Lions year, I have seen many changes (all good) that have strengthened our presence within our local community and our Lions community.

Hall renovations have been completed in a professional manner without affecting our day-to-day usage. Although not complete, our hall is one to be proud of.

Valley Drive-in limited upgrades needed to carry out our much appreciated role in the community were done on time and done well. Great job Lion Tim and staff.

The outdoor rink was, by far, the best ice surface to date. Great job King Lion Kirk and Lions.

Kings Leos have had a wonderful start and I look forward to working with this group along with DG Mark in 2010/11. Wonderful group of youth.

Valley Lions Radio Bingo has added a new source to revenue as well as an added stress to our already busy workload. Lion George has done a stellar job in organizing this project. Please make yourself available on Monday evenings at AVR at 6:30 p.m., so that we have a bank of qualified Lions to operate this great new project. Congrats to KL Kirk on this one too!

Nice to see the fields surrounding the club in use again. Rugby will probable bring more attention to our hall and bar in the future.

Welcome to the new members that joined our club this year.

Thank you to any project that supplied information to The Lions Tale. I look forward to the year ahead. How can we top this one???

Yours in Lionism,

Lion Reg

Good Luck to KL Roseanne in the upcoming year

JUST FOR FUN

Little Johnny was sitting on Grandpa's lap. He says "Grandpa, croak like a frog". Grandpa said "Johnny I can't do that". Little Johnny said, "please, please Grandpa, croak like a frog". Grandpa said, Johnny, why do you want me to croak like a frog"? Little Johnny said, "Mommy said that when you croak, we can go to Disney World".

A drunk walks into a bar and orders several shots of whiskey during the evening. The bartender becomes concerned and informed the drunk that drinking a lot wasn't good for him. To prove his point, he dropped an angle worm in the drunk's glass. After a few minutes, he took it out and said "look, this worm is dead". The drunk replied "that only proves one thing, drink whiskey and you'll never have worms".

A neighbor asked a little boy if his family said a prayer before a meal. The little boy replied "oh no, we don't have to, my mother is a good cook".
