# *KING LIONS MESSAGE*

Hello Lions

Our busy summer has wrapped up with the final drive-in bingo, drive-in theatre and flea markets. Successful projects thanks to our dedicated lions and our supporters. Thank You.

We still have many projects through the winter including radio bingo, dances, catering, breakfast and our biggest mobile canteen event "Thunder in the Valley". Also we honor the seniors with World Service Day. "A Lions works is never done."

Coldbrook Lions wish Zone Chair Mike's wife Ardithe a fast and speedy recovery.

Our condolences go out to Lion John whose father has passed away and Lion Debbie who lost her son.

Quote of the month "Those who row the boat don't have time to rock it"

Until next month,

Yours in Lionism

KL Roseanne

It's October "again" and the change in temperature is a warning that winter will be here soon. But, before the snow flies take some time and enjoy the wonderful display of change in season the trees are putting on for us. With my camera in tow I like to walk among the trees or drive through the woods and take pictures of the spectacular free colour show all around Nova Scotia.

The Coldbrook & District Lion's club is also changing from their "busy" season to their "less busy" season. Last spring, I was informed of the work this club did from May to October; I now know it was greatly understated. The club is super busy and all the help from the members is what makes it possible. A typical week consist of Monday - Radio Bingo, Tuesday – Drive in Bingo, Friday to Sunday – Drive in, Sunday – Drive in Yard Sale, numerous bookings of Mobile Canteen and daily canteen at Aylesford Lake.

Like the colours of the leaves coming out to put on a natural beautiful show for us the Lions members showed their true colours by the huge work they do. LCI theme this year is "We Serve" and I am proud to say that I see the Coldbrook & District Lions leading the way to our international goal of serving 100 million hours each year.

Proudly Serving With You,

Lion Tami Maillet

# DG visit Kentville Lions

I don't know about these three guys, I think they are up to no good, that's for sure.

We sat with Wolfville Lions. Lions Russell and John are suppose to be listening to DG Perry, not looking at me.

Lion Norris reading the Bio of DG Perry.  
DG Perry thanking Kentville Lions for the wonderful meal.

Lion Russell and Lion Carol saying hi and it's nice to see you.

Even some of the staff got into the spirit of dressing up. I know I dressed up as a bag of M&M!

There were some great costumes through the weekend!

There was a great crowd Friday and Saturday night. Thank you to all who came out to enjoy the Halloween weekend under the stars. Thanks to all our sponsors that help make it a fun night for the trick or treaters.

## WHERE HORIZONS MEET

With an eye toward the future, president Yngvadottir will help Lions discover more impactful service projects as well as greater service outcomes. She is a resilient advocate of LCI Forward and believes in promoting the core abilities and benefits of Lions as a way of reaching the goal of serving 200 million people per year by 2021.

This year's focus is a challenge for all Lions to move beyond their service barriers. If a horizon is viewed not as an unreachable limit, but rather as an evolving destination that can be reached through kindness and compassion, then together Lions can provide more good to more people than we ever thought possible.

**"THERE IS ALWAYS AN OBSTACLE. LIONS CHANGE OBSTACLES INTO OPPORTUNITIES."**

- International President, Gudrun Yngvadottir

**We can achieve this if we focus on maximizing four important areas of Lions:**

- 01 Moving membership forward**  
Each member matters. Inviting new members, and keeping current members engaged, is the best way to build the strongest service possible. In many regions, we also need to focus on inviting women to join us to reach our full potential.
- 02 Increasing leadership development**  
Every Lion is a leader. By providing members with leadership skills, and increasing leadership opportunities for women, we can help all Lions reach their potential.
- 03 Promoting the fellowship of Lions**  
Friendship is a key component of Lions. The relationships we develop are lifelong and create the ties that make our service so strong. Let's make sure this shines through in every member's club experience.
- 04 Sharing our stories**  
Storytelling is powerful. When we share our life-changing service stories, our communities will understand who we are and what we do. Social media and marketing can help us get our message out and invite others to join us in making a difference.

**We can reach a new world of service that lies beyond the horizon.**
